An aerial, top-down view of a dense, vibrant green grass field. The blades of grass are long and narrow, creating a textured, almost circular pattern that radiates from the center. The lighting is bright, highlighting the various shades of green, from deep emerald to bright lime. In the center of the image, the text "A lot happens in the grass." is written in a clean, white, sans-serif font, stacked in four lines. The text is centered and stands out against the dark green background of the grass.

**A lot  
happens  
in the  
grass.**

Animals hunt in the grass.

A robin grabs  
and tugs.

A snake hunts  
for a frog.

A frog  
is hidden  
in the  
grass.  
It sits  
still.

At last!  
The  
snake  
has  
slid on.

Animals nest in the grass.

Animals dig in the grass.

Animals tunnel in the grass.

Animals can dig fantastic tunnels.

The grass has lots of insects.

Insects flit,

sit,

hunt,

and hum  
in the  
grass.

A bug  
sets its  
eggs on  
a stem.

It is a kid!

The animals scam.

The grass is soft.

A kid can rest in the grass!
